

PHOTO AND FILM RELEASE

The law prohibits images of individuals to be published without the consent of the person concerned. Since our students are minors this decision is made by the guardian.

We sometimes take photos and film different activities at the school in order to document the development of our students as well as to show what we as an organization work with.

- Pictures and films may be taken for classroom or in school-only use.
- Pictures and films may be published on the school's private instagram account.
- Pictures and films may be published on the school's website or blog.
- Pictures and films may be published in school ads in newspaper and/or the internet.

YES pictures/films of my child may be used for the above purpose
